Hi Dan,

I have the raw data ready to go. I am waiting on the instrument QC data which I should get by COB today. I will get everything shipped out to you tomorrow, hopefully.

Tonya,
Just curious if you were able to get the QC data that our validated is looking for?

Thanks
Dan

Hi Dan,

We can get the information for you, but it will take a week or two. I'm assuming you want this information for all of the analyses we performed for those two SDGs. Also, can you get them to be more specific on the QC raw data?

Thanks,
Tonya

Tonya and Cindy,

Sorry to bother you again. We are having the data for the project validated by a third party validation company. They are asking the following:

For SDG: 1900152, 1900153

1. Can you please provide Level IV data packages, including all sample, QC, and calibration raw data? (Only Level II data packages were provided.)

Can you provide that to me?

Please let me know.

Thanks,
Dan
